### ➤ Report

The two-day online workshop on Thesis Writing And Data Presentation Using Typesetting Software Latex held on 31/8/2021 & 1/9/2021. This programme aims to introduce the attractive features of Latex and make the participants write elegant technical documents. Postgraduate students, research scholars, and faculties of 32 participants from various institutions attended the workshop. SARIN CR (Assistant Professor at Vimal Jyothi Engineering College, Kannur) was the resource person. Free software like Miketex, Texmaker are provided for installation after the participant registration. Live sessions were done through the google meet platform. The asynchronous mode was used for practical sessions. Smt. Bincy Francis, Asst. Professor, Department of Chemistry coordinated the sessions.

### ➤ Report

Objective:- Brochures are essential marketing tools, which establish brands and help them cut through the clutter from the competition. A great design will compel your audience to read all about what you're doing.

Report:- Department of Physics ST. Thomas College, Ranni organized a brochure designing course using Photoshop as a part of skill enhancement program. It was from 14<sup>th</sup> November 2021- 17<sup>th</sup> November 2021 through online mode. Our Alumni Sarath Mohan was the resource person. Mrs. Anju Joseph, HoD of Physics welcomed the gathering. Around 38 participants actively participated program. Participants were from our college and outside the college. Students and Faculties also included in them.

Here Sarath Mohan shows how to use photoshop to create a brochure. It was a hands own training program. Throughout the course, he puts each concept into context as he steps through the creation of a new courses brochure. He explains how to prepare photos, logos, fine tune texts and adding links etc. Upon wrapping up this course, many of the participants create a stylish brochure of their own and others got a clear cut idea about the designing part of a brochure. At the end of the program, Soumyamol K S, Faculty coordinator, Department of Physics gave vote of thanks.

#### **Skill learned from the program**

Participants will be able to learn the working of Adobe Photoshop
