ST. THOMAS COLLEGE, RANNY
REPORT OF THE ACTIVITIES
OF

SCHOLAR SUPPORT PROGRAMME 2018-19

Scholar Support Programme (SSP), an initiative of the Government of Kerala, Higher Education Department, was started in our College earlier, but introduced in the new format in this year. The programme aimed to give mentoring to the needy students, who are academically backward.

The Programme has, besides Student mentees, a Coordinator, and internal and external mentors. The College has a College level monitoring Committee to evaluate the activities of SSP.

Coordinator

The Coordinator of the Programme is Dr. Deepa Roselin Joseph, Assistant Professor, Department of History. She has been selected by the College Council.

Selection of subjects and students

Forty students were selected for the programme. They were from the first year batch and were assigned to five internal mentors. This year the subjects selected were Physics, Chemistry, Mathematics, Commerce and Economics. The subjects were selected by the College Council after considering the result analysis of our College.

Students were selected according to the criteria given by the Directorate. As per the direction from the Directorate students can be selected according to marks and also priority should be given to the special needs of the students. Class tutors were given authority to select the needy students. In our College, students were selected for the programme not only on the basis of marks for the qualifying exams, but through personal observation by the class tutor. Class tutor selected students who need additional academic support.

Internal mentoring

Internal mentoring was done by the College faculty themselves. In this year, as per the direction, five subjects were selected on the basis of result analysis - Physics, Chemistry, Mathematics, Commerce and Economics. The internal mentors assigned were

Soumya mol K.S	Dept of Physics
Dr. Mathew Kuruvilla	Dept of Chemistry
Shruthi Mariam David	Dept of Mathematics
Jikku James	Dept. of Commerce
Dr. Sajini.S	Dept of Economics

They were assigned to take 14 hours in the year and by February last week they all have completed the task. Besides this they also collected their biodata and made personal rapport with the mentees. Test papers were also conducted to assess the progress of the mentees. The time for mentoring was flexible-either after the college time or before the college time or on Saturdays and free times. The aim of internal mentoring was to get personal attention to the needy students and from the feedback of students it is assessed that the aim has been fulfilled. Attendance was also taken and kept by the internal mentor and the same has been produced to the coordinator at the end.

External mentoring

External mentoring, the newly introduced item for SSP was fulfilled as per the directions given from the Directorate. External Mentoring had three heads-Life Skills, IT Skills, and Learning Skills. Our College completed the full schedule for the three programmes-32 hours for Life Skills, 24 hours for IT and 4 hours for Learning Skills. Attendance for the sessions was kept separately.

Life Skills

External Mentoring Life Skill Sessions were taken by Sherin Allena Joseph, the Life Skill Mentor provided by the Directorate. She started her external mentoring sessions on December 1st 2018 and completed by 14th February 2019.

Pazhavanthi P.O., Ranni

She completed her classes with five Saturdays (5 hours each) and one Saturday (3 hours) and one hour each in four week days.

IT Skills

Since the State Coordinator permitted Colleges to utilize the services of experts in their own Colleges, the resume of our Computer Science teacher(Archana ,MSc Computer Science), who is working in the self financing session was sent and was received sanction. So the IT sessions were handled by Mrs. Archana. As per the schedule, 24 hours were allotted and in our College it was started on 19th December 2018 and completed by 16th February 2019. The syllabus given by the Directorate was completed.

Learning Skills

Just like the IT Skills, the Learning Skills were handled by an expert from outside the panel given by the Directorate. Here too, the Coordinator received the sanction from the State Coordinator. The Learning Skill classes were taken by Mrs Remya K Thoppil, (MSc Psychology, MPhil) who is working as Learning Skill expert and Counselor to Govt. Schools. She took her session on 23rd Saturday from 9 am to 1 pm (4 hours).

Monitoring Committee.

The College has a Monitoring Committee consisting of Senior teachers from various departments. The following members are the members of Monitoring Committee.

Prof John M George	HOD, Dept. of Physical Education
Prof. Suja Abraham	HOD, Dept. of Hindi
Dr. Aleyamma Kuruvilla,	HOD, Dept. of Zoology
Dr. Vinodkumar T.G	Dept. of Botany
Prof Anju Joseph,	HOD, Department of Physics

The role of the College Monitoring Committee is to monitor the activities of the SSP and to give guidelines. All the main decisions were taken after discussing with the Committee. This year the Committee had four meetings to evaluate the functioning of SSP.

The first meeting was held immediately after the one day training programme arranged for the coordinators of Scholar Support Programme of various colleges on 12/09/2018 at the Loyola College, Sreekaryam, Trivandrum. In this first meeting (17/09/2018) the Coordinator explained the main differences in the newly created format of SSP, regarding the selection of students, introduction of external mentoring etc. The Coordinator showed the list of students and internal mentors selected for the Programme by the College Council. In the second meeting (26 /11/2018) the Committee evaluated the progress of the programme. Other points of discussion were to utilize the services of experts in our own premises for external mentoring and sanction was given. The Committee was also informed that the external mentoring will be started from December 1st onwards. The third meeting was held in connection with the proceedings to be given for the withdrawal of amount sanctioned for the purpose. The fourth meeting (26/2/2019) was to show the final bills and vouchers, report and other documents that have to be submitted to DD

Feedbacks

Feedbacks from both mentors (Internal and External) and mentees were collected.

Bills and settlements

The request for Advance Bill was not sanctioned due to Treasury ban and now Bill for final settlement was given.

Conclusion

Scholar Support Programme, 2018-19, aimed in the upliftment of weak students, helped them in the subject matter as well as externally. Our College completed all the sessions successfully and now we are waiting for the sanctioned amount. All other documents asked by the Directorate ((Bills and Vouchers, Utilization Certificate, Attendance) are also submitting along with this Report.
